

Compliance Through Education - The New FAA

Seminar Details: 9:15 AM- Compliance Through Education, presented by Mark Kolber, Aviation Attorney and certified pilot. Beginning last year in October, the FAA began implementation of a new Compliance Philosophy. Up until then, many inadvertent FAR violations resulted in enforcement actions with punitive results. That has now changed. FAA inspectors are now offering remedial training and counseling in lieu of enforcement as long as the violations are inadvertent and non-repetitive. Learn about this new process and what it may mean to you and your colleagues.

Directions: Seminars will be held in the NEW GTCC AV3 Campus across from HondaJet on Old Stage Coach Road. See Map connection. Look for seminar signs. Transportation for "Fly-Ins" can be arranged if you make 24 hour advance requests by calling Bob Sutherlin at 336-907-0487. Landmark ramp fee may be waived. Call for details.
